Update Your Contact Information With The OIC

The OIC uses the contact information you provide to send you important notices regarding your license, premium tax information and other important communications! Please take a moment to log into your account and update your contact information so you don't miss important correspondence

- Log into your [Fortress licensing account](#) and select **ADDRESS CHANGE** to update your address, phone number or email address.
- To file your annual premium tax statement, you are required to establish a Tax Contact for your WAOIC License Number. If you did not establish a tax contact following license issuance, email Taxes@oic.wa.gov. If you need to verify your previously established tax contact is still accurate or are not sure whether you set one up, use the WAOIC or NPN search function on the [Fortress Filing & Payment Center](#) to view the tax contact associated with your license.
